The Students of Foreman
High School in Chicago

PRESENT THE

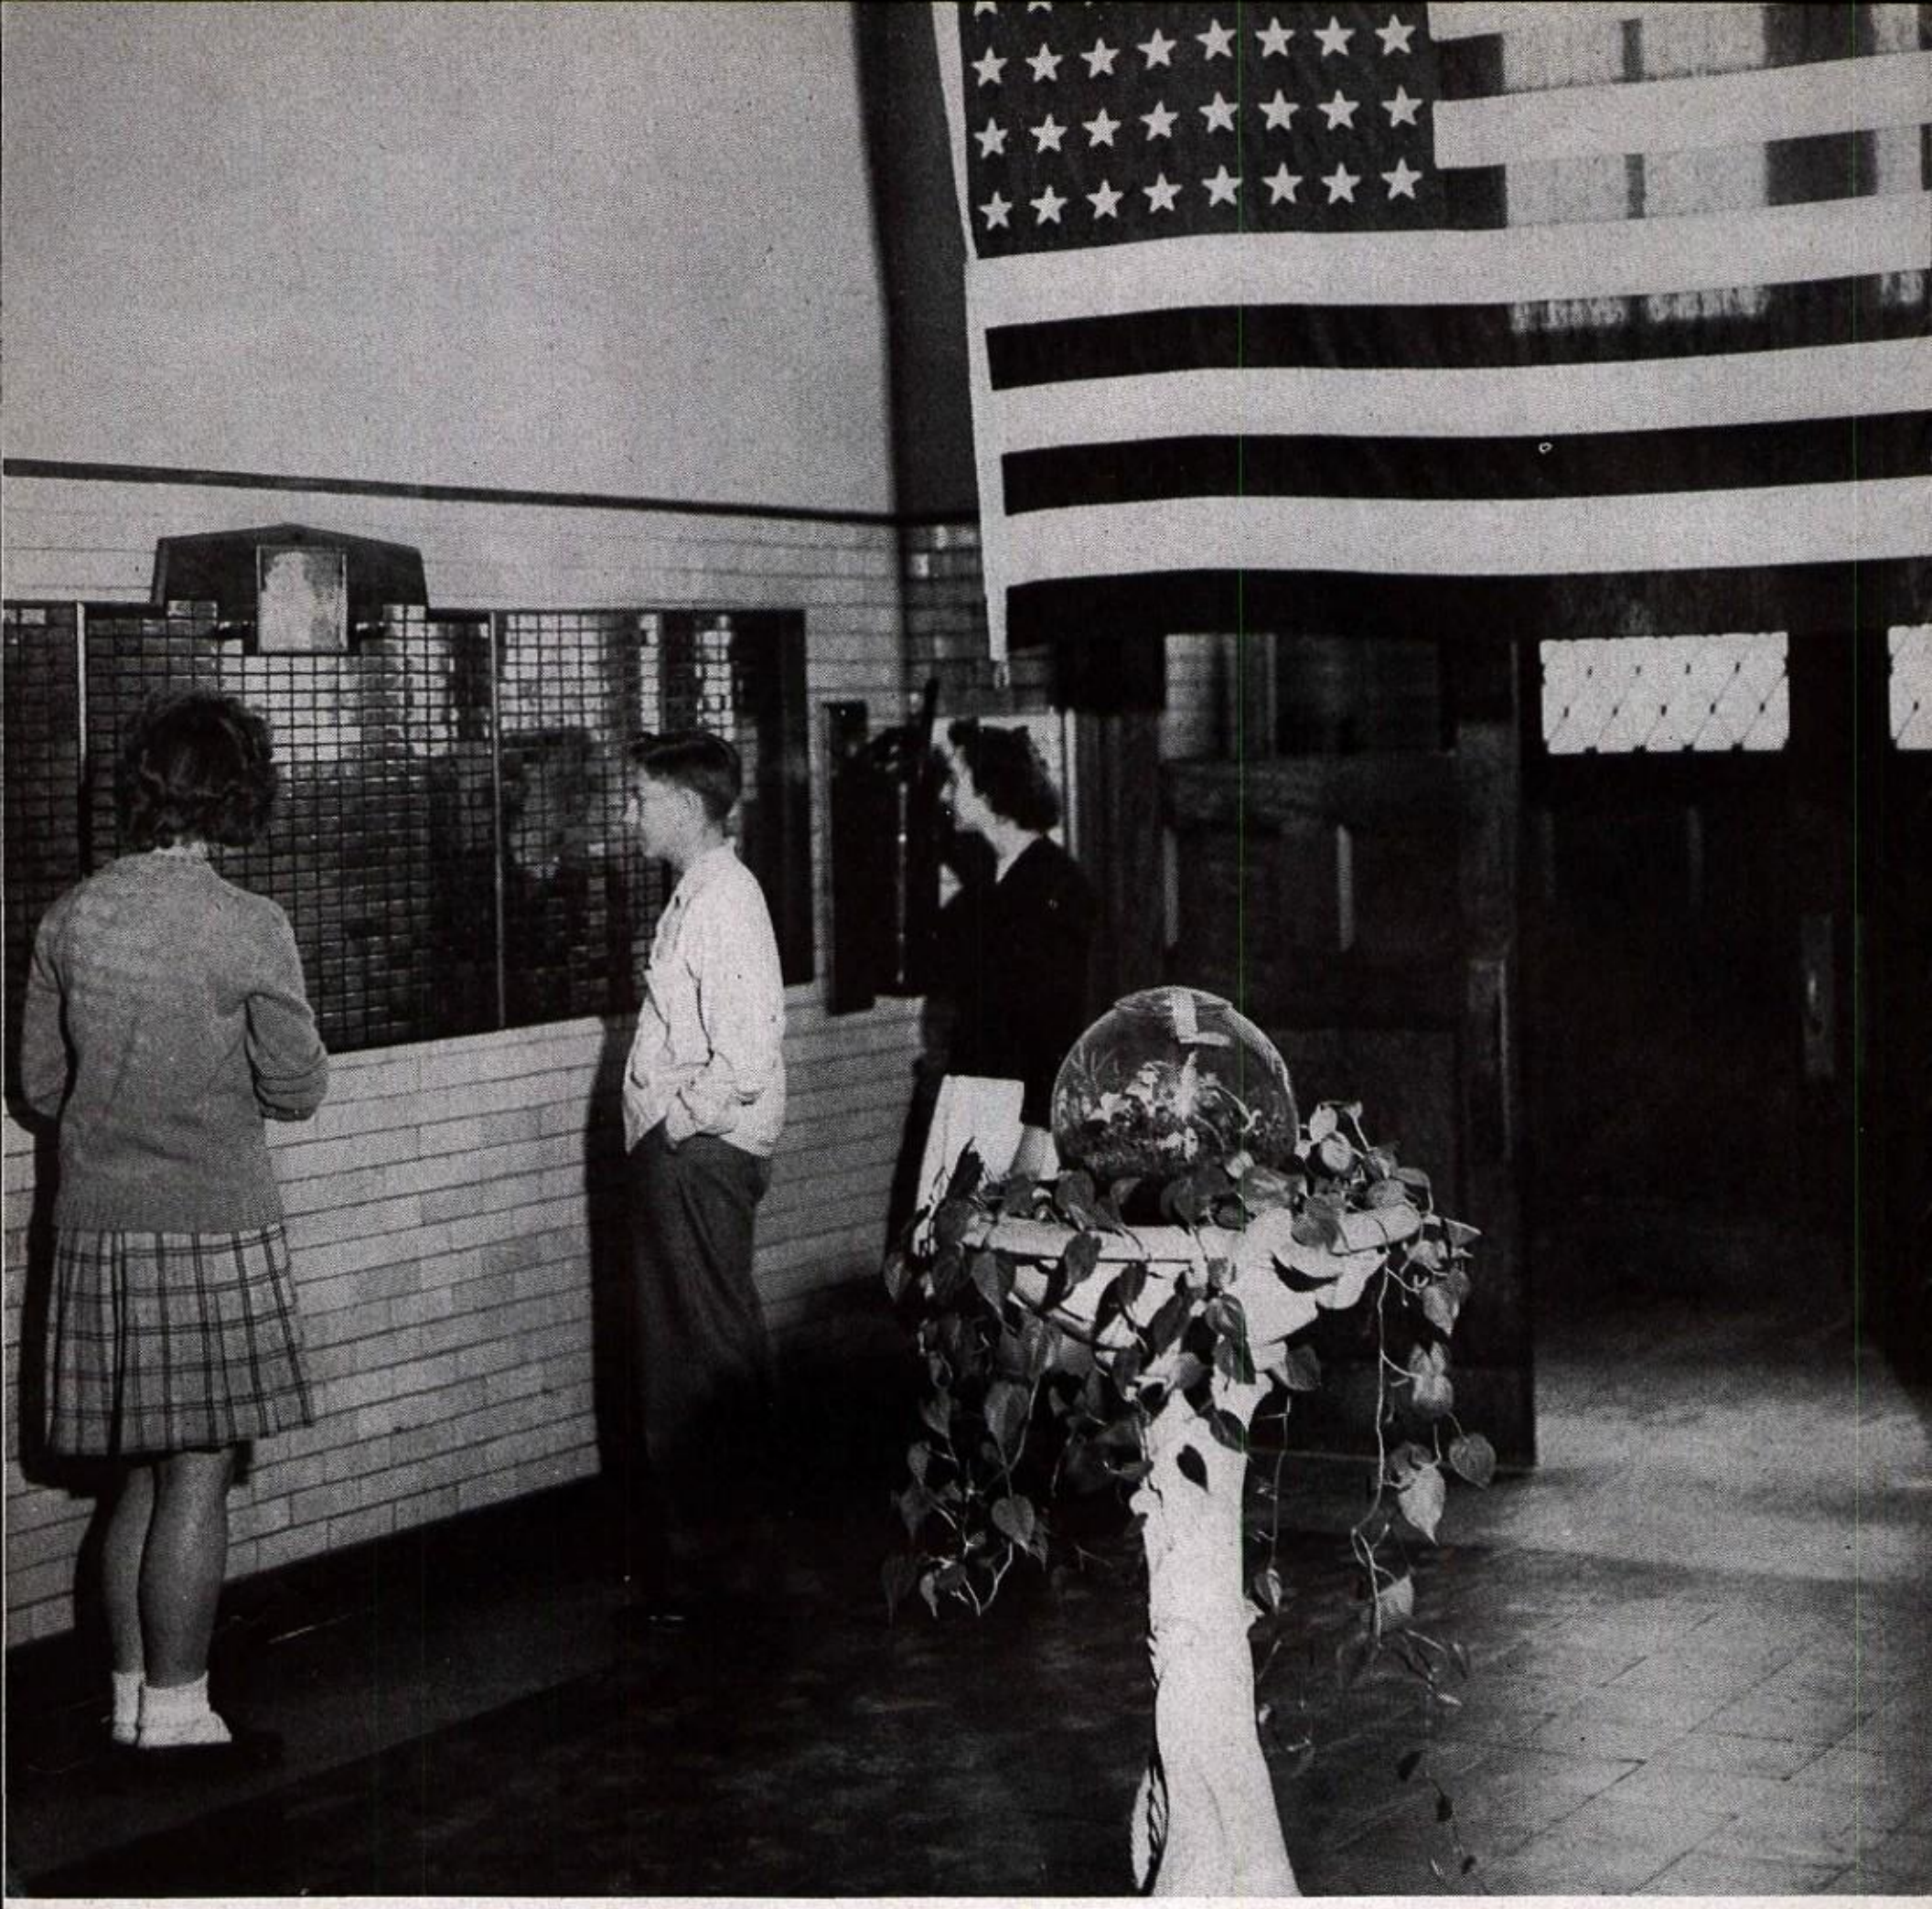
FOREMANUAL

OF

1946

We at Foreman High School believe our school is representative of the American way of life. Foreman is a democratic institution of the highest order. Our many social and service activities exemplify the ideals for which this nation has always stood. Our dances, our movies, our athletic events, our mass meetings, our elections, all are typical of America.

All of these affairs are instructions in democracy. Together with regular classroom training, we are receiving the training that will prepare us to be the leaders of the future.



Our Servicemen's Plaque

Foreman students are proud of their Servicemen's Plaque, and the gallant deeds and actions which it commemorates. Miss Stern, one of our English teachers, keeps in touch with a number of our servicemen by correspondence.

Our students backed up the servicemen through the medium of paper drives, bond drives and donations to the servicemen's canteens.

Christmas at Foreman

Christmas at Foreman is an event which lives long in the memories of Foremanites. With the caroling of the a Cappella choir through the halls, the background is set for Yuletide dances, parties and gaiety.

The annual Christmas assembly is another bright spot in the holiday season at Foreman.

A Christmas tree placed in the foyer of the school and decorated by the students is also a highlight.

Dear Graduates:

Four years ago when you enrolled at Foreman High School, the whole world was at war. For you, three of those school years were chaotic. Many of your classmates and your senior friends fought and bled for their country and its democratic ideals. Now, one year after the armistice which was made possible by their sacrifices, you are looking ahead with assurance that your future is secure and that your cherished hopes will be fulfilled.

May I congratulate you on attaining the goals toward which all of our school policies lead. You have desired, attained, and maintained a high scholastic standing. You have developed character through cooperation in all activities which brought about the social welfare of school and community. You have participated in assemblies which upheld the high standards set by the school. You have aided in the especial development of an All School Council, the main purpose of which is service, citizenship, and complete practice of democracy. You have cooperated with your teachers in their untiring efforts to help you help yourselves through development of initiative, leadership, character building and courtesy.

You go on now as men and women equipped to lead useful, happy lives, capable and willing to assume adult responsibilities.

We hope that for many years to come it will be our pleasure to meet you at annual reunions and renew experiences of these past years.

We, the faculty, wish you success in all your undertakings. May God bless each and every one of you.

Catherine A. Ryan

Principal of Foreman High School since September, 1939, Miss Catherine A. Ryan has a formidable list of good things she wants for our school. She knows that not everything she sees to do can be done at once; but she is determined that some of her wishes be turned into accomplishments each semester.

Mr. Harry P. McHale, Assistant Principal

Harry P. McHale, Assistant Principal, presses the buttons and pulls the levers which determine a thousand details in the daily life of every student. He devises the intricate machinery of the "school program," provides the proper number and kind of classes for each teacher, and supervises the enrollment of the correct number of students for each class. One of his biggest tasks, and the one to which he is alert every day is that of searching out everything "for the good of the order."

Our Patient Office Staff

The great deal of Secretarial work arising in the operation of our school is capably handled by Miss Alice Hanley, Miss Helen Hanley, and Mrs. Sylvia Koplin. Although they serve as private secretaries, receptionists, clerks and typists, each member of Foreman's staff can greet a student with a smile, even at the end of a hectic day.

Foreman's Teachers Can't Be Beat

The backbone of our nation is the English Language so, therefore, Mrs. Harte, Mrs. Greenwood, Miss Connor, Miss Carmody, and Miss Stern are to be congratulated for their splendid job.

Mrs. Anderson and Mrs. Byl are assuring all fellows that the coming generation of gals will be able to cook and sew as well as look attractive.

Teachers of the Commercial Department, Mrs. Hoppe, Mr. Sazama, and Mrs. Anderson, who make possible an efficient future in the business fields of the world.

You Must Admit They're Quite "Alreet"

Miss Flaherty, Miss Mostyn, Mrs. Smith, and Mr. Snodgrass, of the Social Studies department, get together for an informal discussion.

Members of the Language department, Miss Lawin, Mrs. Bramkamp, Mr. Morrissey, and Miss Dyer meet to talk over the latest teaching methods.

Miss Stewart, Mrs. Weiss, Miss MacKay, and Miss Cavoit comprise a part of our English department.

More of Foreman's Top Flight Teachers

Miss Cooney, Miss Costello, Miss Meyers, and Mrs. Mussehl, keepers of the typewriter and steno book are part of our commercial department staff.

A quartet of history and civics teachers is shown in the persons of Mrs. Jones, Miss Daniels, Miss Kay, and Miss Doyle.

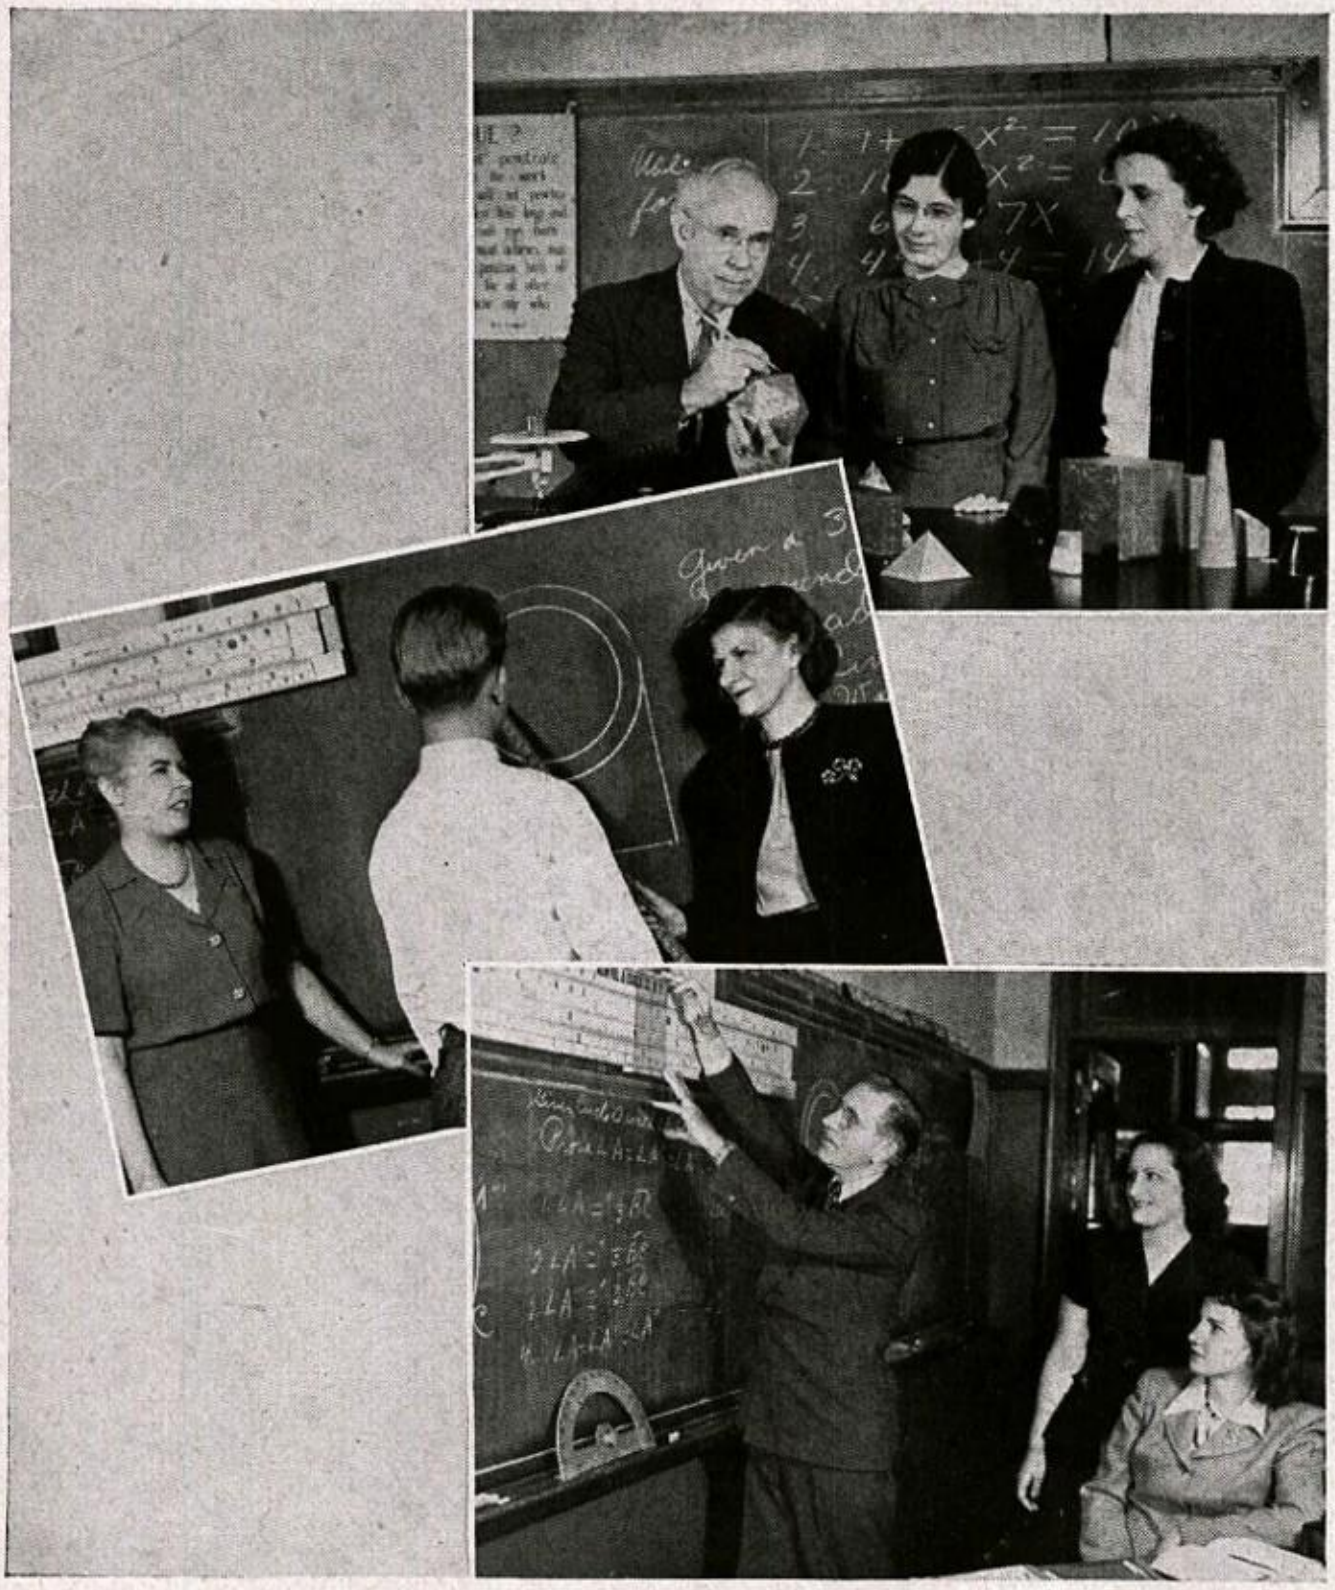
Miss Hardy, Miss Lagorio, and Miss Hyatt, comprise Foreman's able girls' gym staff.

The Guiders of Our Young Einsteins

In the upper picture are Mr. Jenkins, Miss Hirons, and Mrs. Kennedy. They are engaged in a discussion over solid geometry projects constructed by students.

In the middle picture, Miss O'Neill and Miss Kinderman are shown giving aid to one of our geometry students.

The bottom shot pictures Mr. Fossler showing the possibilities of our large-size classroom slide rule in student instruction.



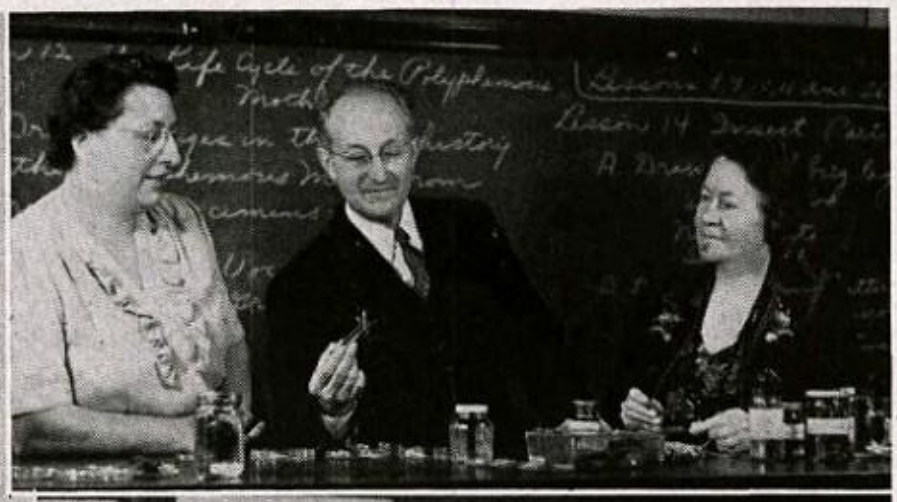
At Foreman the Body as well as the Mind are Developed

Mrs. Muckler, Capt. Reid, and Miss Meek, listening to a few records on the school's radio-phonograph.

Mrs. Capparelli, Mr. Cantu, and Mrs. Hogle, comprise part of our language department.

Mr. Maloff, football coach, Mr. Zahorik, baseball and basketball coach, and Mr. Kipp, athletic director and head of the gym department gather together for an informal chat.

Uncovering the Mysteries of Nature



Mrs. Voelz, Dr. Guse, and Miss Kelly preparing biological specimens for classroom instruction.

Mr. Powers, Mr. Keating, and Mr. Pawlicki, of the Physics and Chemistry depts., conferring over an experiment.

Instruction in the advance phases of mechanical drawing is given by Mr. Deering and Mr. Sollo.

Foreman Offers Cultural As Well As Practical Training

Miss Effting and Miss Segalove, two of our art teachers, admiring a student's mural.

Mr. Kardis, Mr. Bucaro, and Mr. Sowa are part of our staff of shop teachers.

Mrs. Jerome, Miss Treffens, Dr. Briney, and Mr. Mouw looking over a piece of apparatus to be used in classroom work. They are teachers of the science department.

In Memoriam

BESSIE KINERT — Her life in Foreman's hall was like a spray of roses — colorful and sweet, with a delicate but lingering fragrance.

Long, long be my heart with such memories filled!
Like the vase in which roses have once been distilled —
You may break, you may shatter the vase, if you will,
But the scent of the roses will hang round it still.

"They Have Their Troubles, Too"

We at Foreman are proud of our teachers. The members of the faculty have shown that they take a genuine interest in the education and affairs of their students. Many teen-aged problems have been solved by the thoughtful counseling of a pupil's division teacher or class advisor. The class of June, 1946, says "Thanks" to our teachers in appreciation for their being friends as well as instructors.

The
National Society

The National Honor Society was organized for the purpose of encouraging scholarship in the secondary schools. Those students who qualify by meeting the requirements of having an accumulative "E" average, and service, leadership and character traits attested to by class teachers are admitted to enjoy the conviviality of the meetings and the distinction of being honor students. In addition to the regular meetings, the Foreman chapter, under the sponsorship of Miss V. Cavoit, usually undertakes some project for the benefit of the school each semester. The meetings and activities are directed by

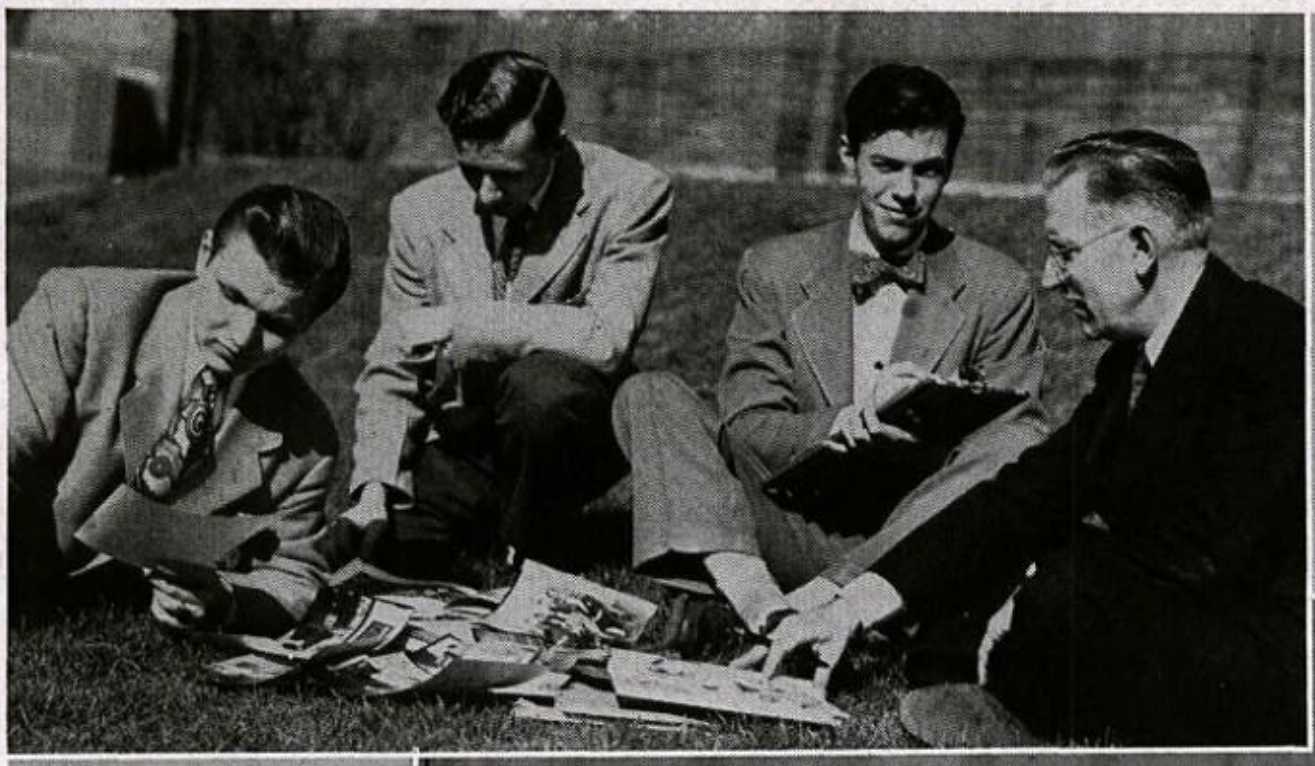
Foremanual Staff

This first full length, postwar Foremanual is the product of the efforts of the Class of June, 1946. Under the direction of Mr. Merritt Fossler, the Yearbook Staff has been in operation almost two semesters, working to make the 1946 Annual the best in history.

Heading the Foremanual Staff were: Everett Malmgren, *Editor;* William Grischo, *Assistant Editor;* and Leonard Lamberg, *Business Manager.*

The entire staff of typists, clerks, and editorial writers deserve credit for the important contributions they made toward the success of this annual.

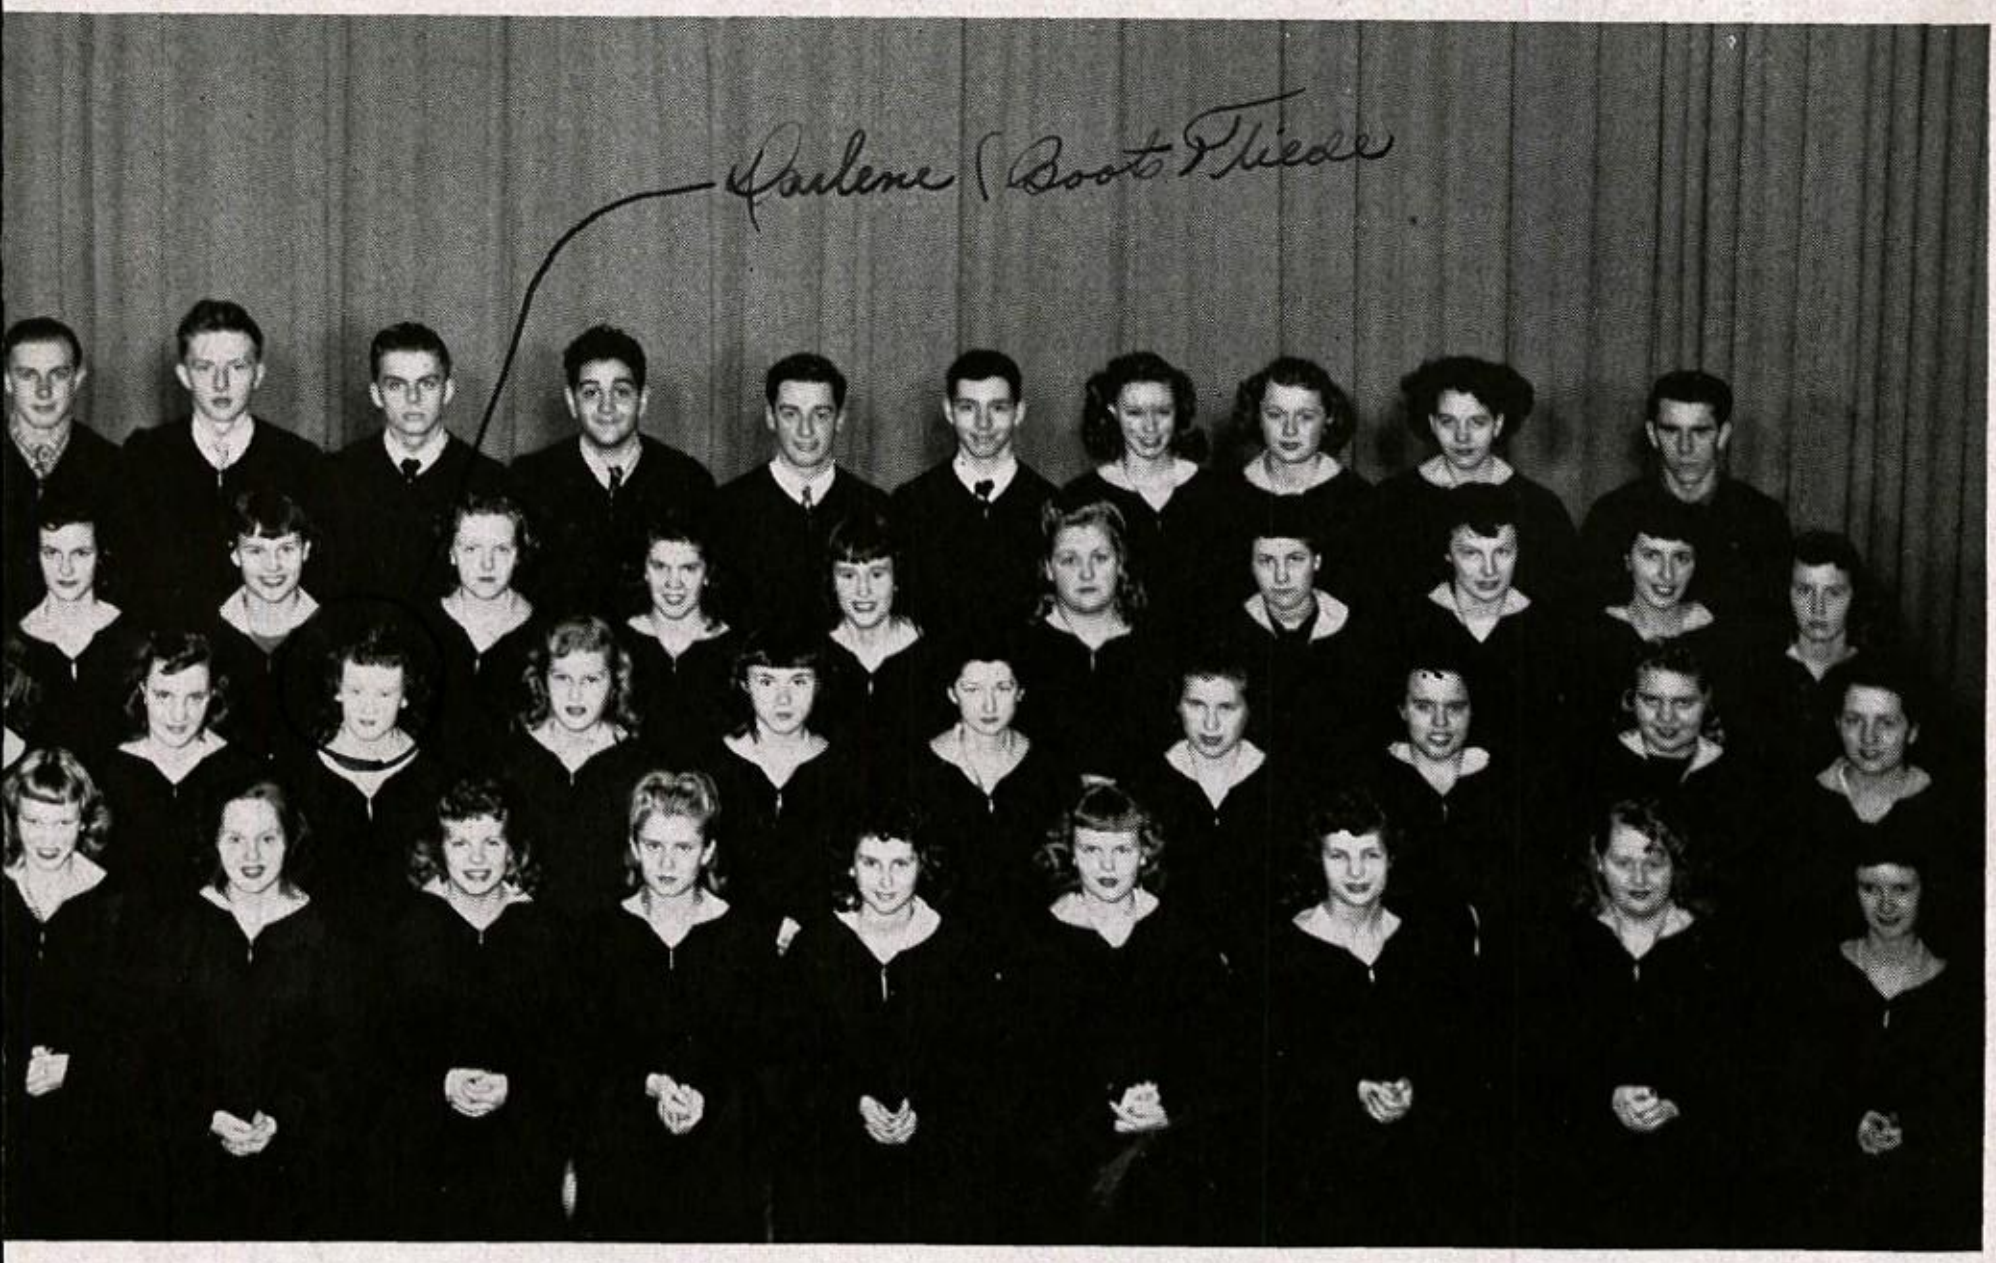
Special thanks go to the faculty.



Lennie Lamberg, Bill Grischo, and Ev Malmgren get together with Mr. Fossler for a discussion about the latest pictures delivered for the Foremanual.

Among the numerous Foremanual Staff members who took an active part in the preparation of this annual are: Dick Curran, Sylvia Mallozzi, Margie Dalidas, and Ray Connelly.

Our A Cappella Choir



The a Cappella Choir is held in high esteem by the students and faculty of our school. It has a long list of successful performances at school functions.

To become a member of the a Cappella Choir one must have more than a desire to be a member. His voice must be tested and approved by Miss Helen Meek, director of the choir, before he will be admitted.

The students who have the necessary talent to enter the choir receive a minor credit for being members of Foreman's foremost singing group.

During the Christmas season the choir adds a pleasing touch to the school holiday festivities by caroling through the halls. This is one of the choir's many activities that lend much to the aesthetic quality of our school.

Orchestra

The Orchestra is enlarging the scope and increasing the quality of its services, both in its curricular and extra-curricular functions.

More and more students are showing interests in one or another type of musical study and activity, and abler material is constantly presenting itself.

For those seriously desiring a musical career there can be no finer medium for obtaining experience than through actual performance with the orchestra.

For others it gives appreciation and a love of the great music of the masters. This truly expresses the ideal of cooperation and provides harmony which is social as well as musical.

The Beginners of Today
Are the Experts of Tomorrow

At Foreman, no person is given up as being entirely without talent. This policy of giving everyone a chance to develop whatever talent he may possess probably explains the great success of the Foreman Band Groups. The high membership of both groups proves that the students are eager for music training and aware of the unusual opportunities which are theirs in the instrumental field. These instrumental groups are under the able direction of Captain Guy W. Reid.

Music

The Jenny Linds of tomorrow receive their training in Foreman's Girls' Glee Club under the direction of Miss Helen Meek.

Let me go where'er I will,
I hear a sky-born music still;
It sounds from all things old,
It sounds from all things young,
From all that's fair, from all that's foul,
Peals out a cheerful song.

'Tis not in the high stars alone,
Nor in the cup of budding flowers,
Nor in the redbreast's mellow tone,
Nor in the bow that smiles in showers,
But in the mud and scum of things
There always, always, something sings.

Deadline Day!

With these electric words to quicken their pulse, the Foreman News staff somersaults through the hectic task of preparing the bi-weekly issue of the school newspaper. Starting with assignment day, room 219 becomes the center of feverish excitement and planning as reporters search our items of news and interest for the eight-page publication. Deadline day draws near and a sigh of relief is heard as all stories are ok'd and sent to the printer. But it's not over yet! One more day for writing headlines and "make-up," and then wonderful Wednesday and the satisfied feeling of a job well done.

The All-School Council

The All-School Council of Foreman High has been an effective body in the handling of school affairs. The purposes of the council are to promote the general welfare, to improve education, to sponsor school activities, and to further cooperation between students and faculty. Some of the activities over which the council has authority are the lunchroom and honor studies.

The council is composed of the elected officers, student representatives, and the teacher representative. The officers who have officiated during the past semester are Pat O'Malley, *President*, Michael Martino, *Vice-President*, Martha Zaharchuk, *Secretary*, Glenn Keitel, *Treasurer*, and John Klein, *Secretary of Inner School Affairs.*

The recently elected officers for the next semester are: Edwin Trapp, *President*, Audrey Lungoot, *Vice-President*, Martha Zaharchuk, *Secretary*, and Gene Domski, *Treasurer.*

Splendid Cooperation Between Parents and Teachers

FOREMAN HIGH SCHOOL
PARENT-TEACHER ASSOCIATION

The second Thursday of each month during the semester, the Foreman PTA conducts its meetings in the Social Room of the school.

The Christmas Sale and Magic Show presented during the past year with the cooperation of the faculty and students, have enabled the Foreman PTA to contribute toward the Student Aid, School Beautiful.

The Foreman PTA aim for the future will be to work for a better understanding of the problems facing the Youth of today, giving encouragement and assistance whenever and wherever it is needed.

Highlights of Foreman Achievement

Many of Foreman's highest achievements come up for recognition so close to the end of the year that their significance scarcely has time to register in our consciousness before we separate, and our seniors have gone from us.

We are glad, therefore, to attempt to give these achievements the place of prominence which they deserve, so that every student may look at this page with justifiable pride.

Our faculty recently selected the ten outstanding graduates of June 1946: Jeanne Caspari, Ray Connelly, Roy Gisler, Janet Humphrey, John Klein, John Lindemann, Everett Malmgren, Adele Nelson, Randel Olsen, and Eleanor Waghorne. At an election following the faculty's selection, the seniors chose their class president, Ray Connelly, as the outstanding one of the ten.

Mrs. Voelz, senior advisor, announced the names of the ten students having the highest scholastic standing: Catherine Antros, Margie Dailidas, Roy Gisler, John Klein, Audrey Kuester, Audrey Lang, Ralph Maxson, Marietta Skarbek, Dorothy Thomas, and Arthur Wolfgarth. Of these, John Klein is the valedictorian of his class, and Roy Gisler, the salutatorian. Besides these two boys, Audrey Kuester and Margie Dailidas received the Phi Beta Kappa certificates, which are awarded to the two boys and the two girls who are highest in scholastic achievement.

The Daughters of the American Revolution award for fine citizenship was presented to Lois Seeley.

For the combined qualities of scholarship, leadership, and civic responsibility, Margie Dailidas was entertained at a luncheon given by the Chicago Junior Chamber of Commerce, at which time she received the Civic Assembly Award.

The Bausch and Lombe Optical Company makes an award to the outstanding student of science in each graduating class. This semester the award went to John Klein, who was also presented a 400-dollar scholarship by Northwestern University, and a 200-dollar William J. Cook scholarship which may be used in any college.

Excellence in the two fields of science and mathematics was recognized by the Rensselaer Polytechnic Institute in the presentation of its award to Roy Gisler, who is the recipient also of a William J. Cook scholarship of 150 dollars in the University of Wisconsin.

At the time of going to press other awards still remain to be made. The entire school will be happy to congratulate the successful candidates, whoever they may be, even though they cannot be named here with the other illustrious students who have hung up such splendid trophies for themselves, and who have brought honor to their school.

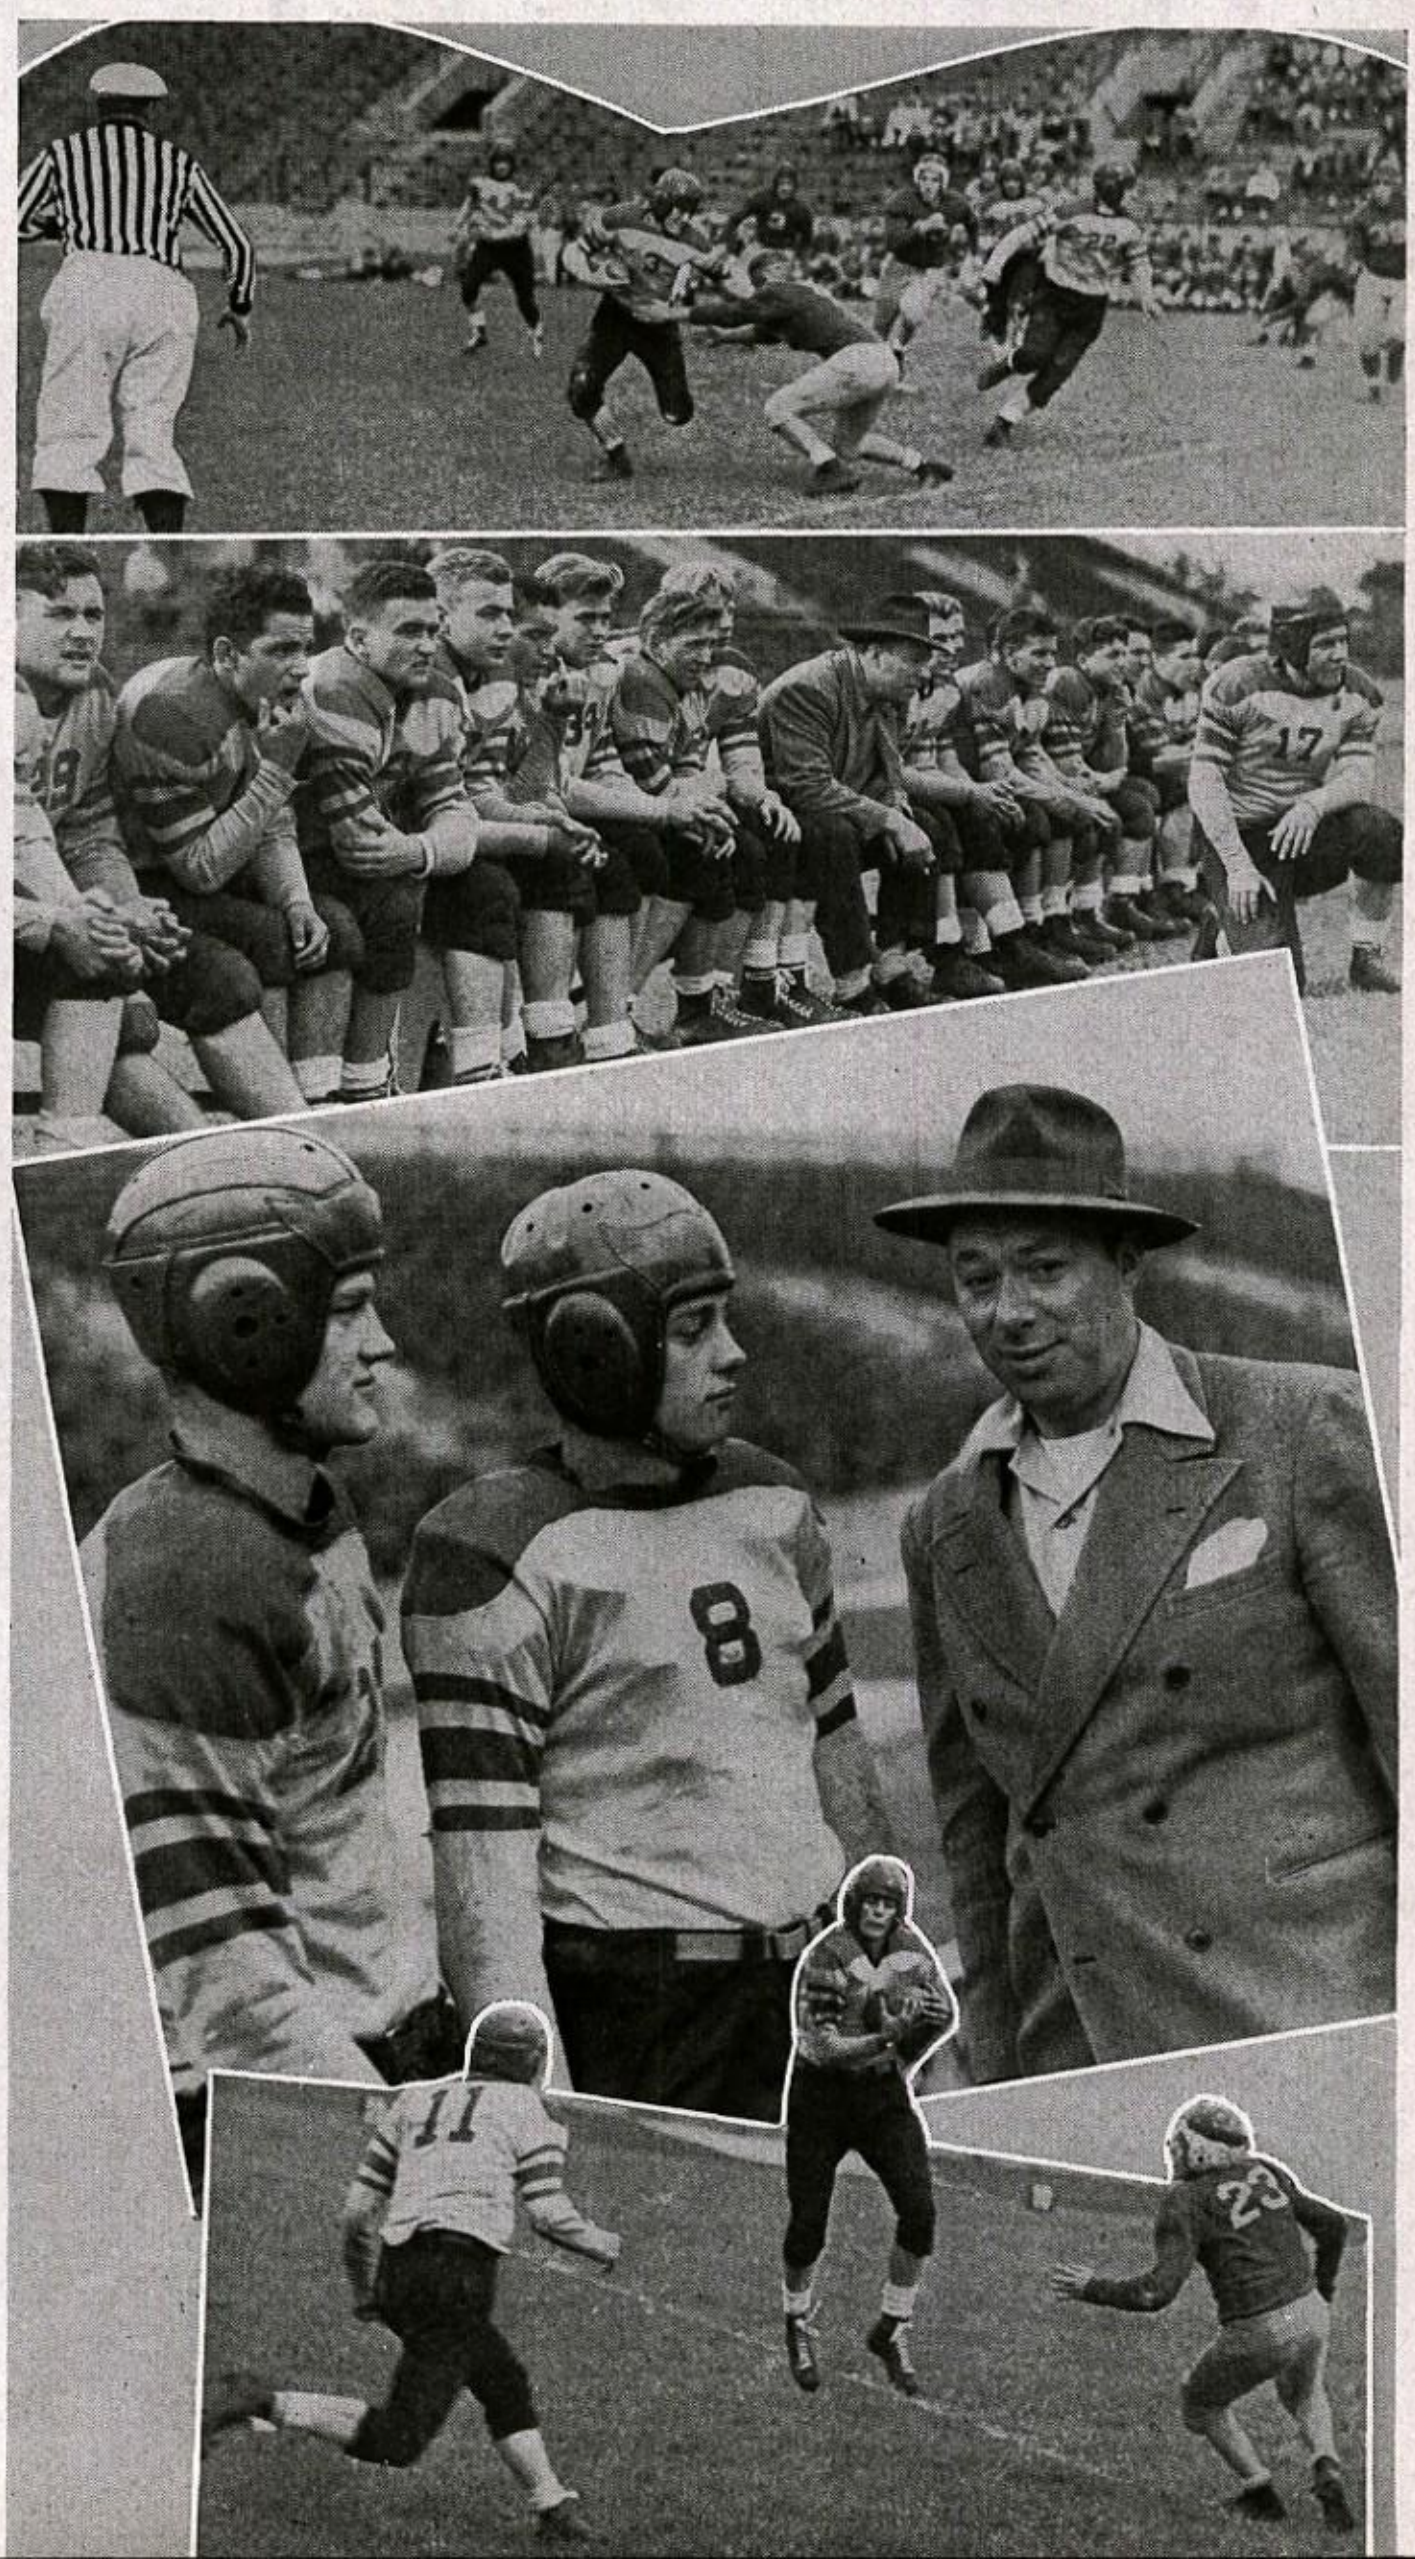
Yes, It's "Pigskin Pushers"

Under the guidance of Coach Jack Maloff, Foreman sent another top-rate team into the race for glory in the annals of football. For seven seasons in succession Foreman has had fairly successful teams. Some of the more spectacular players this season were: in the backfield: Ed Thompson, Harold Bergeson, Ronald Mora, Duncan Gardner and Richard Polito, and in the line: Bob Bornell, Charles Stokes, ends; Joe Carava, Vic Sylvester, tackles; Robert Bove, Ed Durand, guards, and Norman Bergeson, center.

Feats of Skill, Strength, and Endurance



Another roar went up from the crowd as one of Foreman's talented backfield men plunged across the line for another touchdown and Foreman defeats Tuley by a score of 39 to 0.

The games all couldn't end this way but considering the many injuries and bad breaks sixth place was all that could be expected from any team.

The Little "Uns"

With only one letterman returning for the full season the outlook for the lightweights wasn't very good. A group of sophomores and juniors went through the practice games winning no games and losing seven. Their record for the league season was no wins and seven losses.

One of the brighter spots was the playing of Captain Bob Wall, the only senior, letterman, and veteran player on the team. Wall was the fourth highest scorer in the West Section.

Returning are Mandell, Kuman, Cliff and Chuck Kopeny, Skowron, and Baka. Next year's team looks very promising due to these players.

The Big "Uns"

Members of our heavyweight basketball team entered the pre-season period with high hopes, and rightfully they did so. Although the "Hornets" ended the season in only fifth place they showed their playing ability by establishing a city record in beating Medill 100 to 38.

To prove their ability was not overlooked, Foreman placed three men on the section teams: Capt. Norm Gregory, Ed Bartosch, and Don Hanrahan.

With four lettermen graduating, Curran, Gregory, Juretscke, and Bartosch, next year's team will be a green, but capable one.

The National Pastime

When the Foreman nine started practicing this spring, numerous students were of the opinion that our baseball team didn't have a chance to go very far. Despite the fact that we had nine lettermen returning, five of whom were pitchers, our team lacked the necessary offensive power and defensive skill.

During our practice games our pitching didn't hold up but our infielders and outfielders played beautiful ball. As expected our hitting was very light.

We started the section race off successfully winning our first three games. Many a student predicted a hot race for section lead with Foreman, Kelvyn Park, and Steinmetz fighting it out.

Next year we will lose Bob Wall, Ed Bartosch, Rich Jayko, Don Sturman, Don Cerva, and Capt. Wally Juretscke. Next year we have a host of new talent to send Foreman to the top.

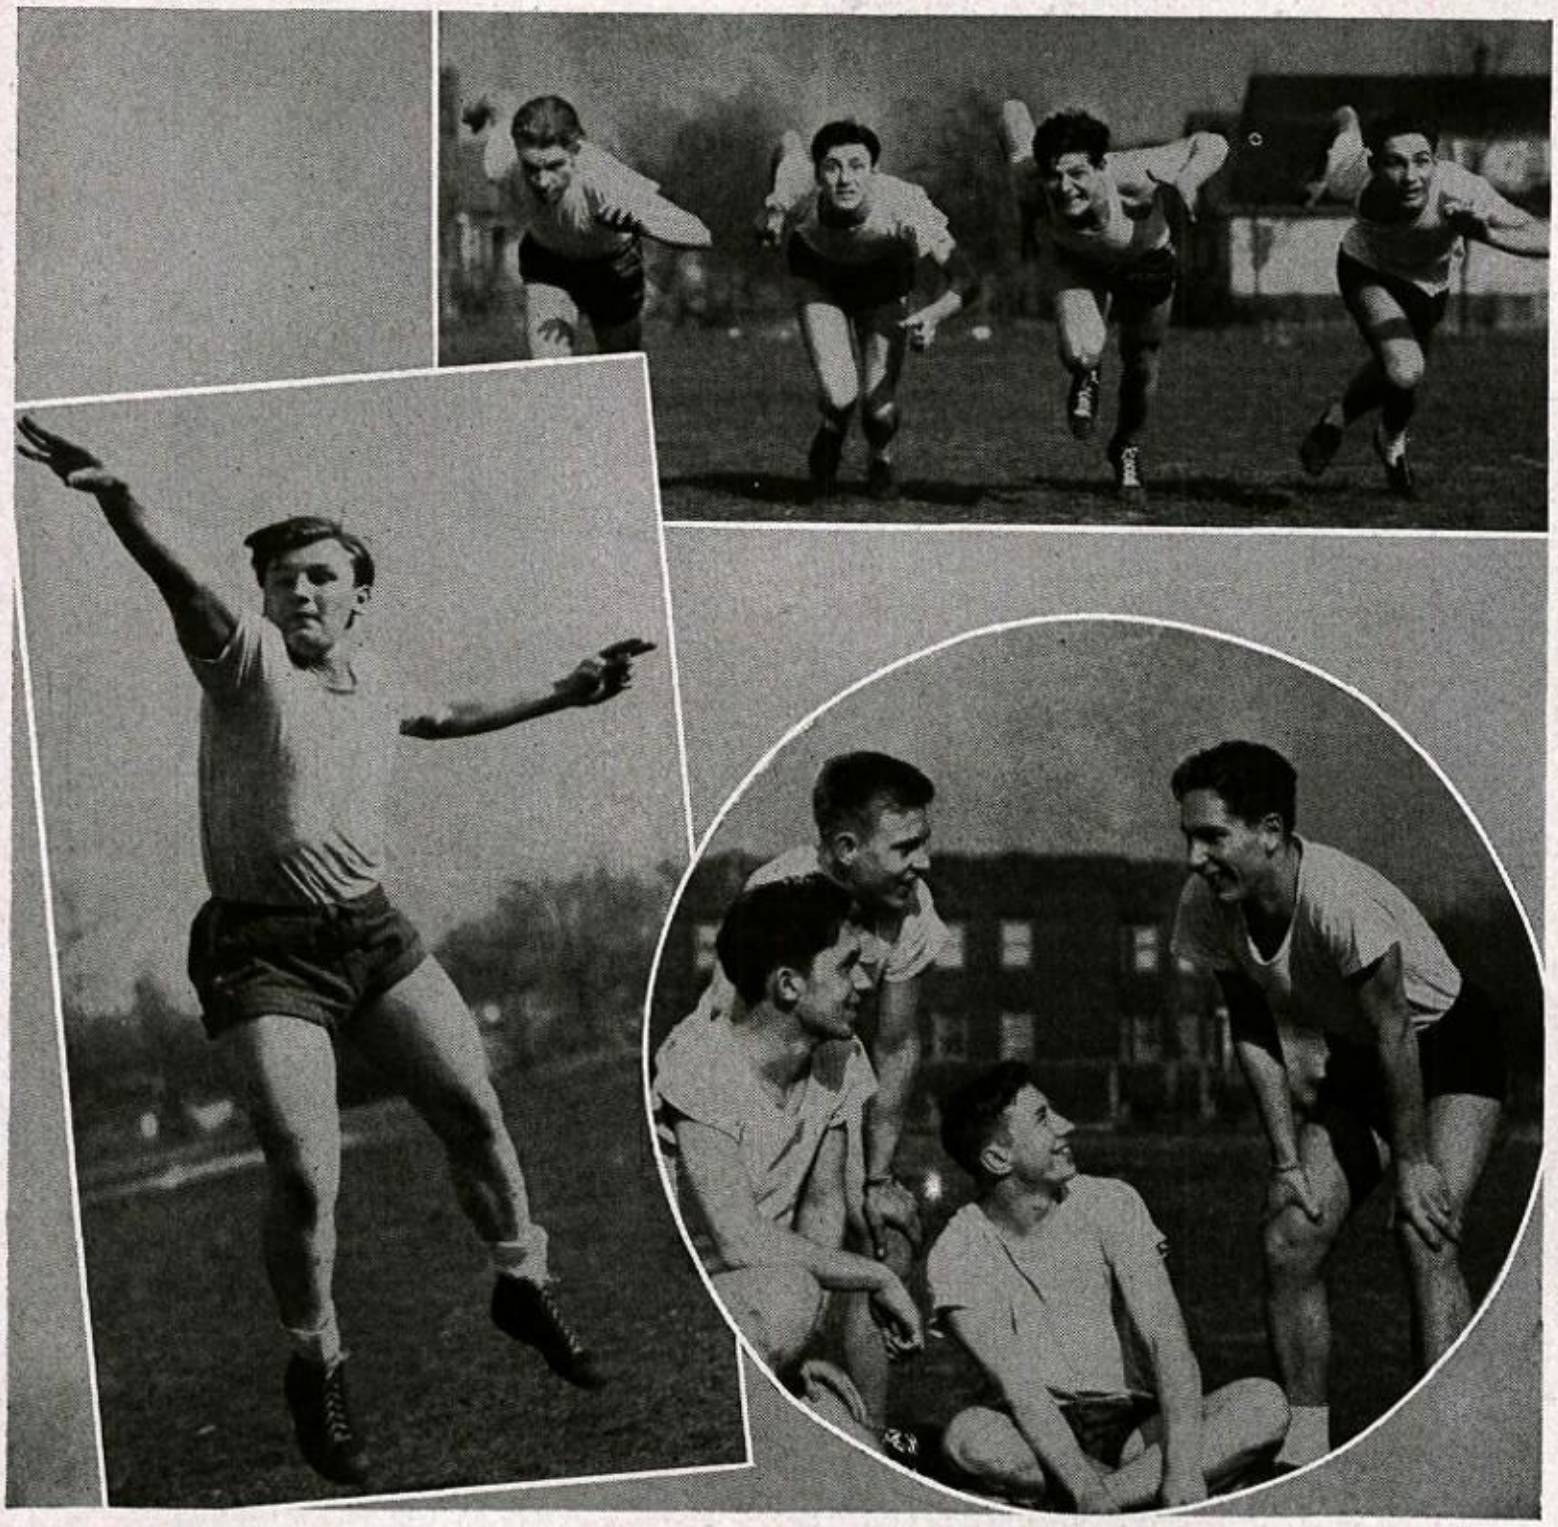
Track



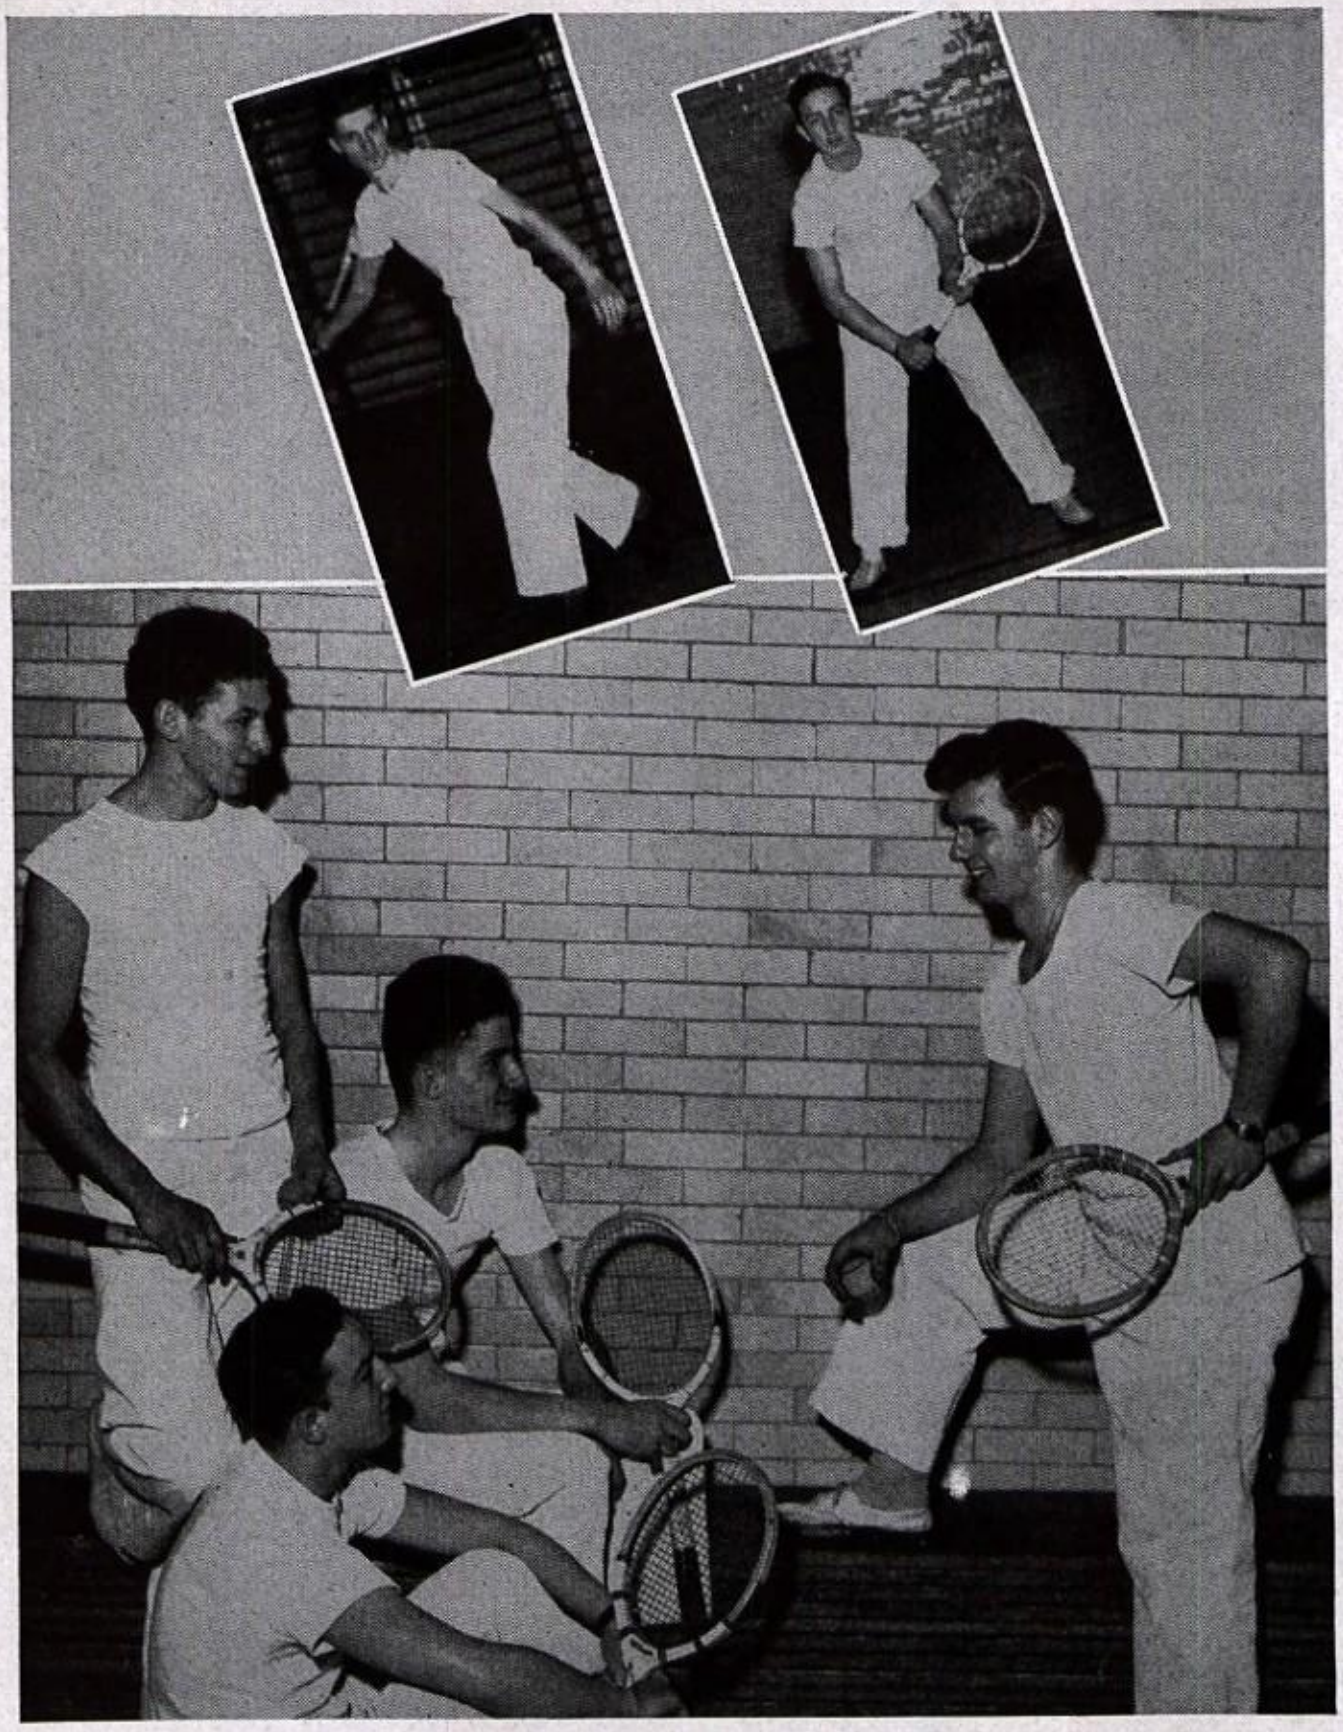
Is it a rocket? Is it a Jet Plane? No, it's Foreman's track team.

With inter-murals leading the way, Foreman's newly organized track team is looking forward to a successful season.

Boys like Gene Puetz, Lee Redman, Al Suchta, Dick Traverse, Ray Jablonski, Gene Goodwin, Bob Andersen, Bob Mack, and Eugene (Casey) Ziaja make up our first, and really good, team.

When we have fellows like these to establish a tradition we can be sure of having winning teams in the future.

Good work, Boys!



Foreman Tennis Team

Foreman's four horsemen of tennis this year received a good sun tan, exercise, honors and the respect of other schools for their playing ability.

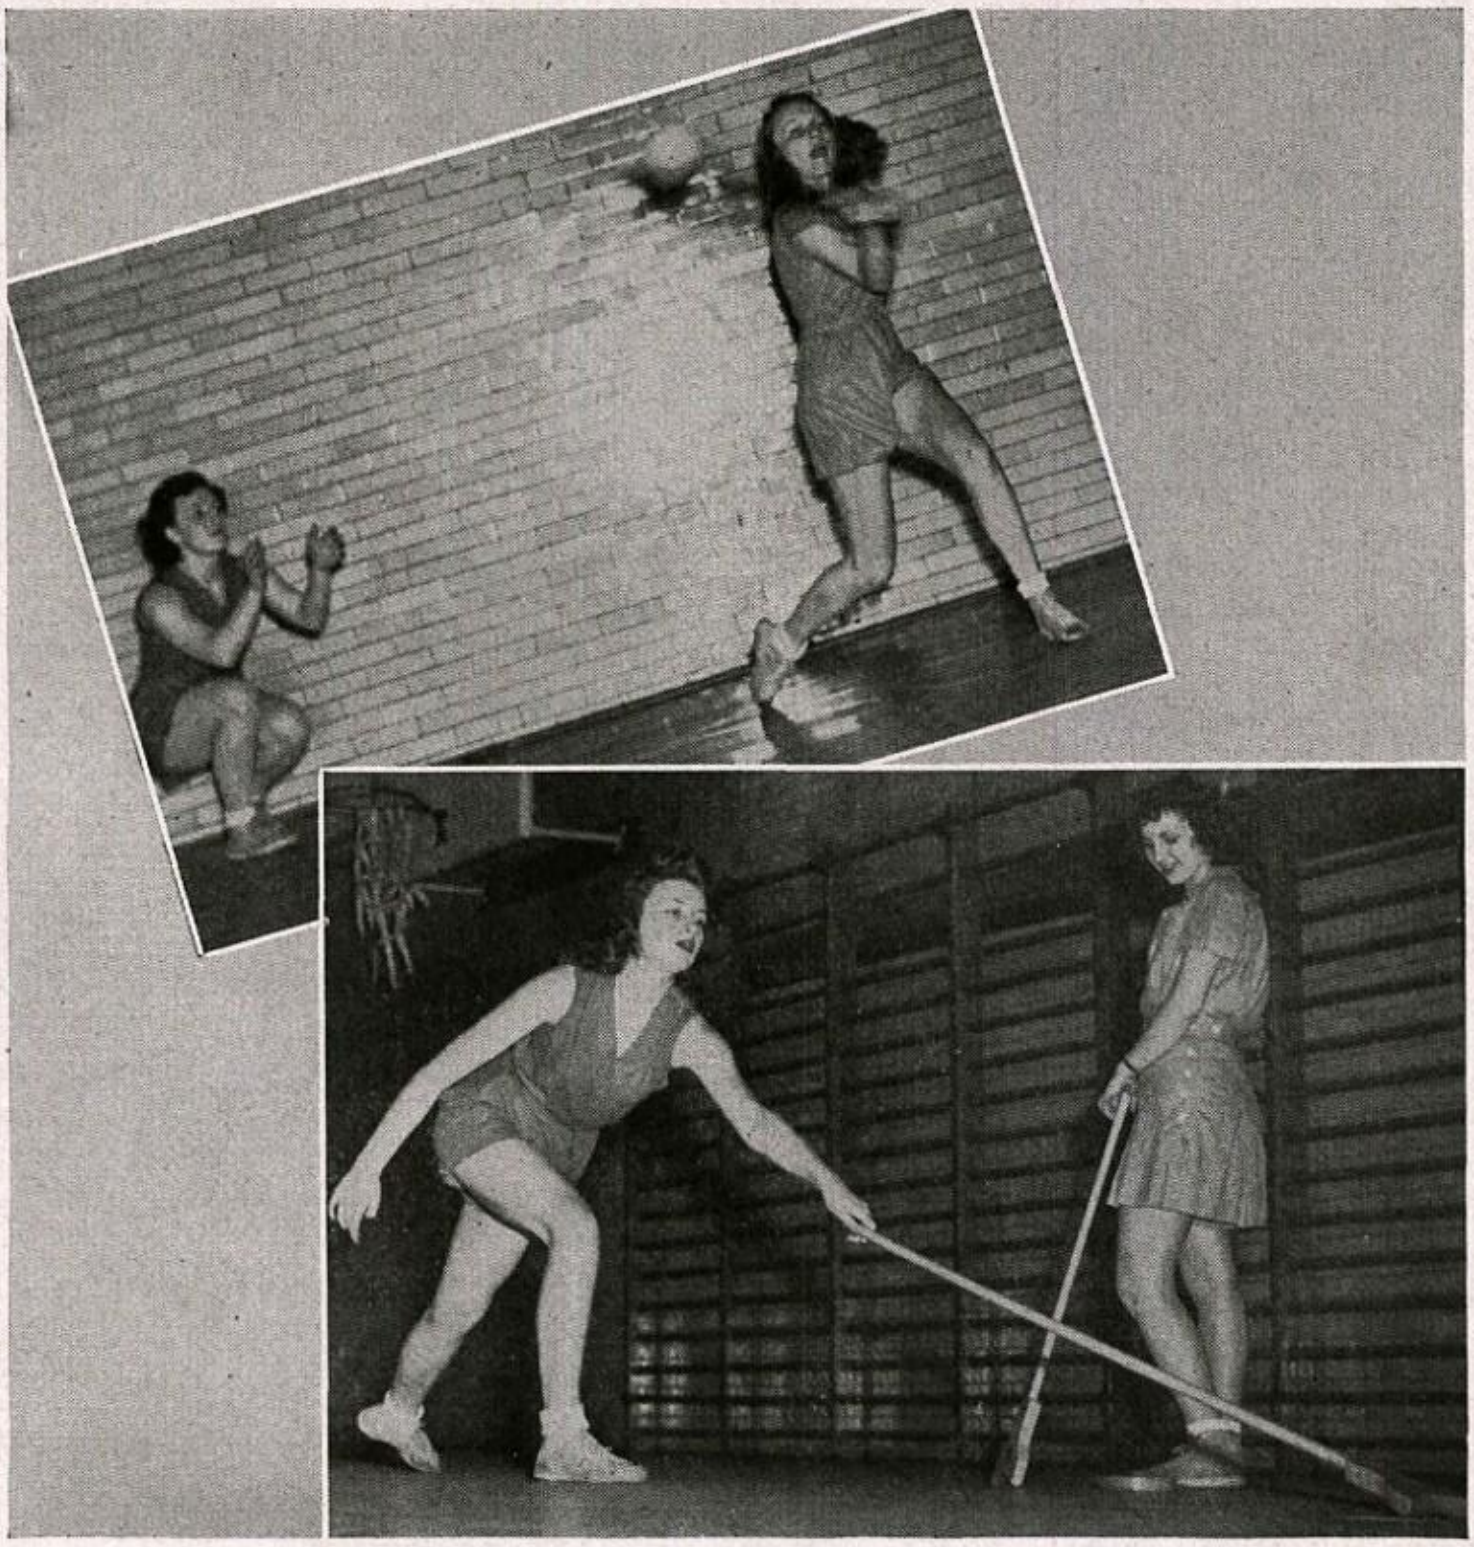
Under the able guidance of Coach Charles Kipp and Captain Conrad Gregory, the team has had a successful season.

Although the team will lose half of its playing staff, it hopes to take top honors next season.

These are the unsung heroes of Foreman High.

Looking in and around the girls' gym we find . . .

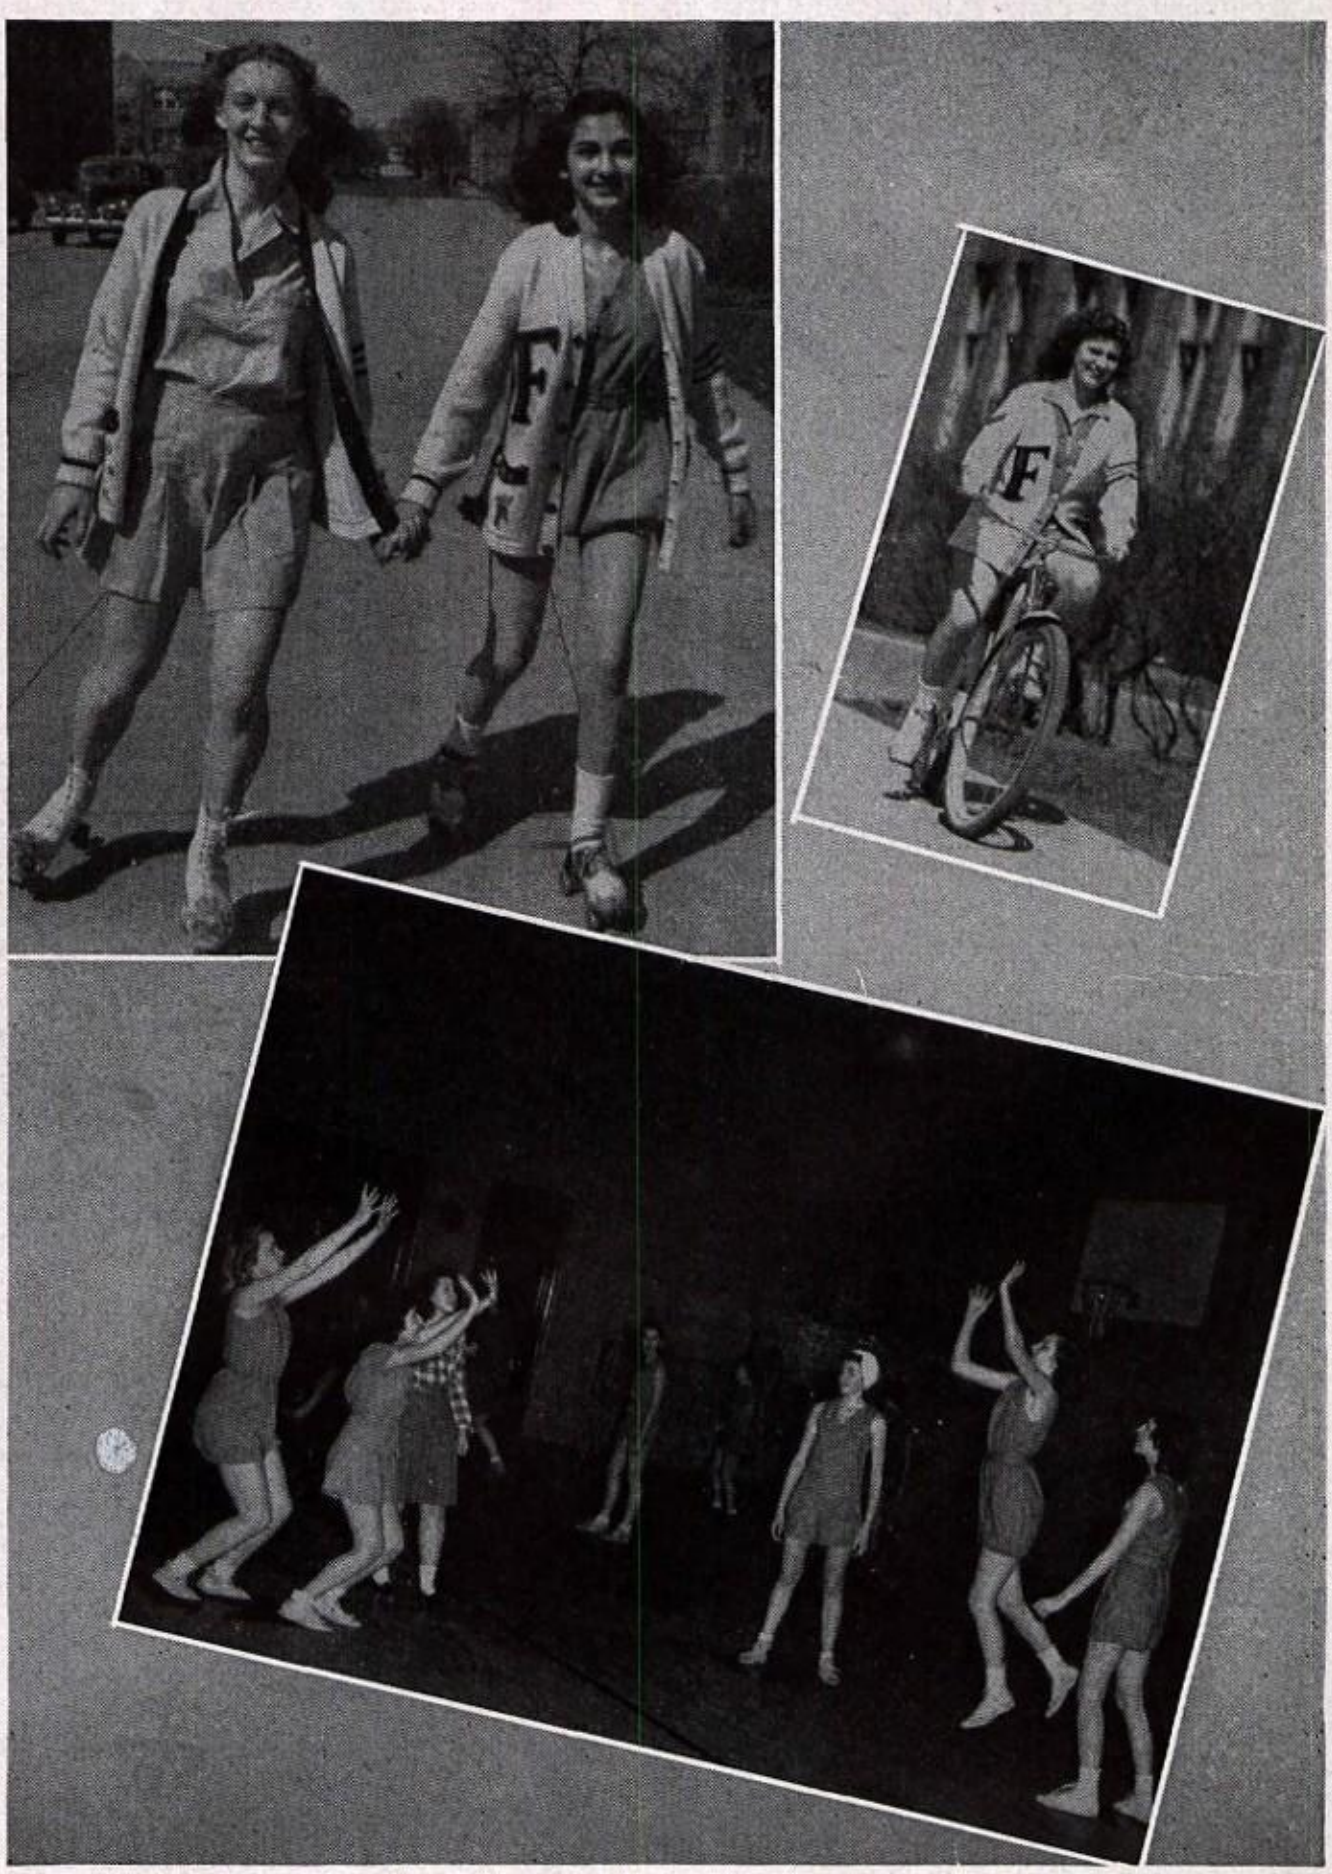
Girls actively participating in every sport from baseball to swimming. Through these sports a girl may earn points toward her G.A.A. letter. The Girls' Athletic Association, which is sponsored by Miss Hardy, promotes social, athletic, and scholastic activities. The Board of Control, a group of chosen active and interested leaders, decides any important matters which may arise. Leadership is an outstanding quality which Foreman cultivates to a high degree in all of the girls. Among the many activities sponsored by the G.A.A. are the annual Mothers' Tea, Spring Dance, and Wienie Roast. The officers are: Adele Nelson, *President;* Jane Johnson, *Vice-President;* Martha Toelcke, *Secretary;* Joann Ernst, *Recording Secretary;* and Josephine Mora, *Treasurer.*



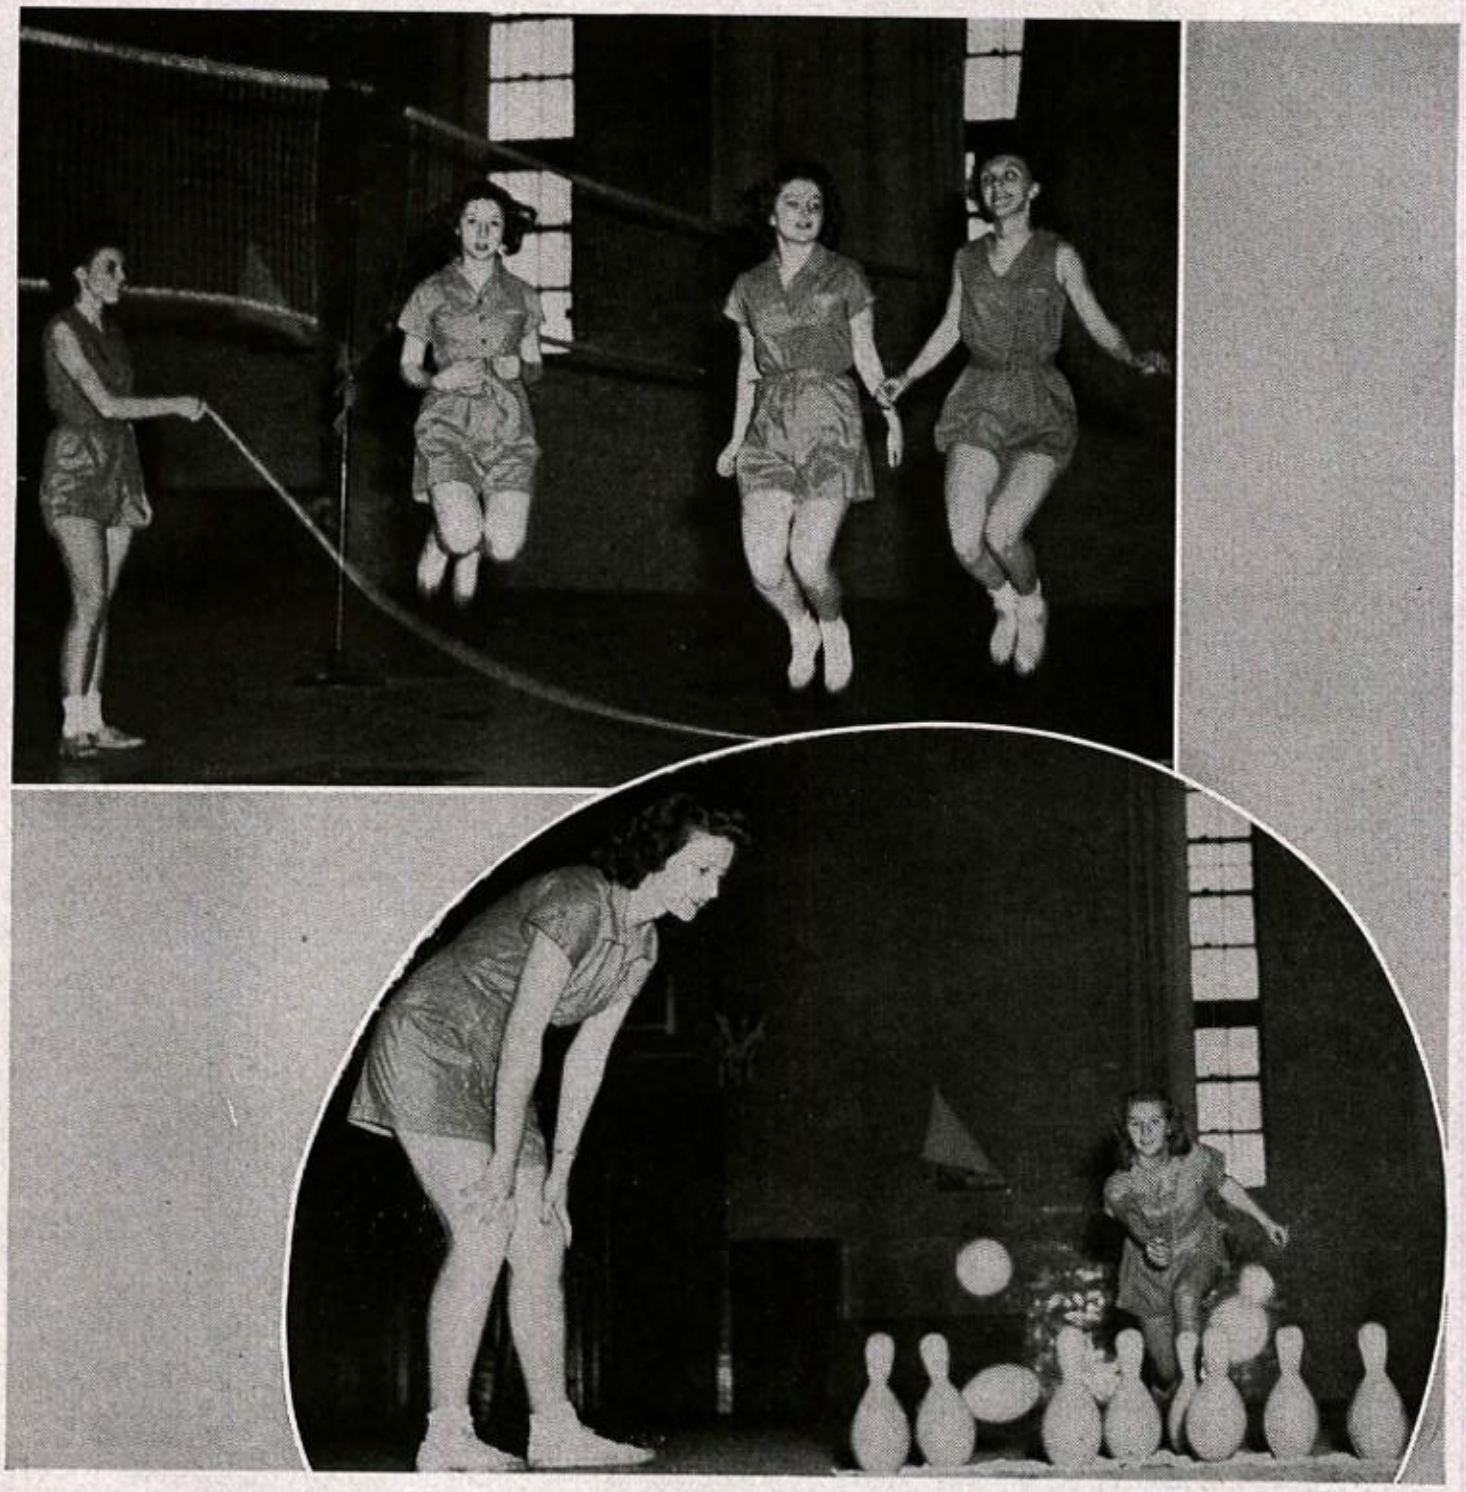
Who Said Spring Days

Do you want to know the secret of how our Foreman girls keep their trim figures? Exercise . . . exercise . . . and more exercise. It may sound hard, but it's really fun. Here we see three of our letter girls keeping fit by skating and bicycling around the campus.

Shoot! Foul! Off-Side! These are familiar words heard in the Girls' Gym during the basketball season. They really had some swell games.

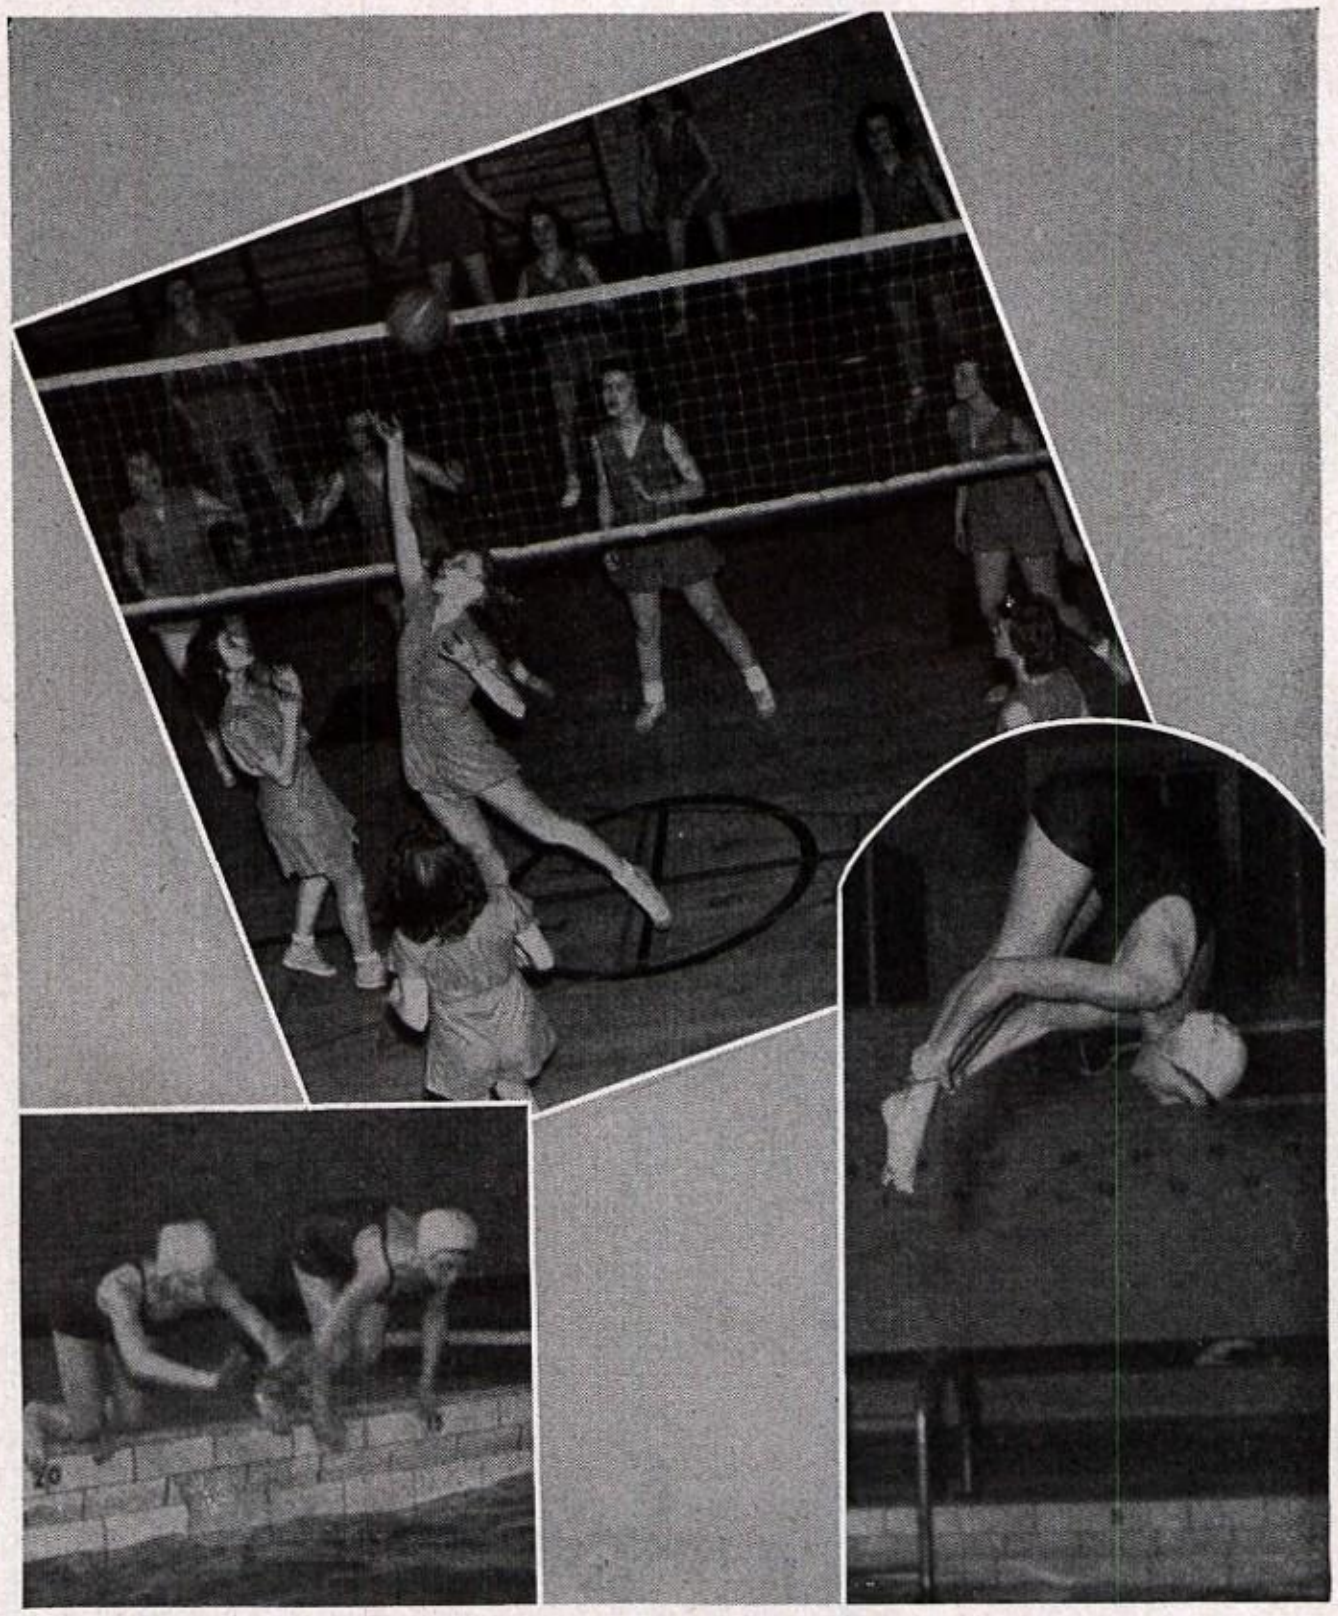


Are Lazy "Daze"??



Another way our girls keep themselves ship-shape is jumping rope. It is one of the favorite exercises because it furnishes fun for all and keeps the gals hoppin'.

The gym is equipped with bowling facilities and some really swell times can be had. It is fine practice and is often the start of bowling interest outside of school.



Up and over! Think our Foreman girls can't play volleyball? Well, you are wrong! In fact, last semester we had a rip-roaring tournament in which competition ranged from the seniors right on down to the little freshies. Of course, the seniors couldn't and didn't let Miss Lagorio down, and came out on top.

Splash . . . Ah! Isn't that a neat dive? Although Foreman girls have swimming every week, they still have the opportunity to advance themselves by joining the swimming team. Each girl must pass required tests before she is eligible to join. This semester, under the supervision of Miss Alma Jones, the team put on a swimming demonstration which was nothing less than "all reet."

Class Prophecy of June, 1946

Now in this list there is a name
Of every student known,
And we're predicting what he'll be,
Now that he's almost grown.

So you can laugh or you can rave,
It doesn't matter much,
'Cause now altho it's just a joke,
Some day it may be such.

Look down the line and there you'll find,
What you've been selected to be,
And just what will become of it?
Oh, well, some day we'll see!
